Alma Mater

Perry for you we'll work and fight,
We'll honor your name.
Perry for you we'll claim the right
To spread far your fame.

Courage and loyalty,
Qualities dear to all; so
Perry, our Alma Mater
To us you will reign o'er all.

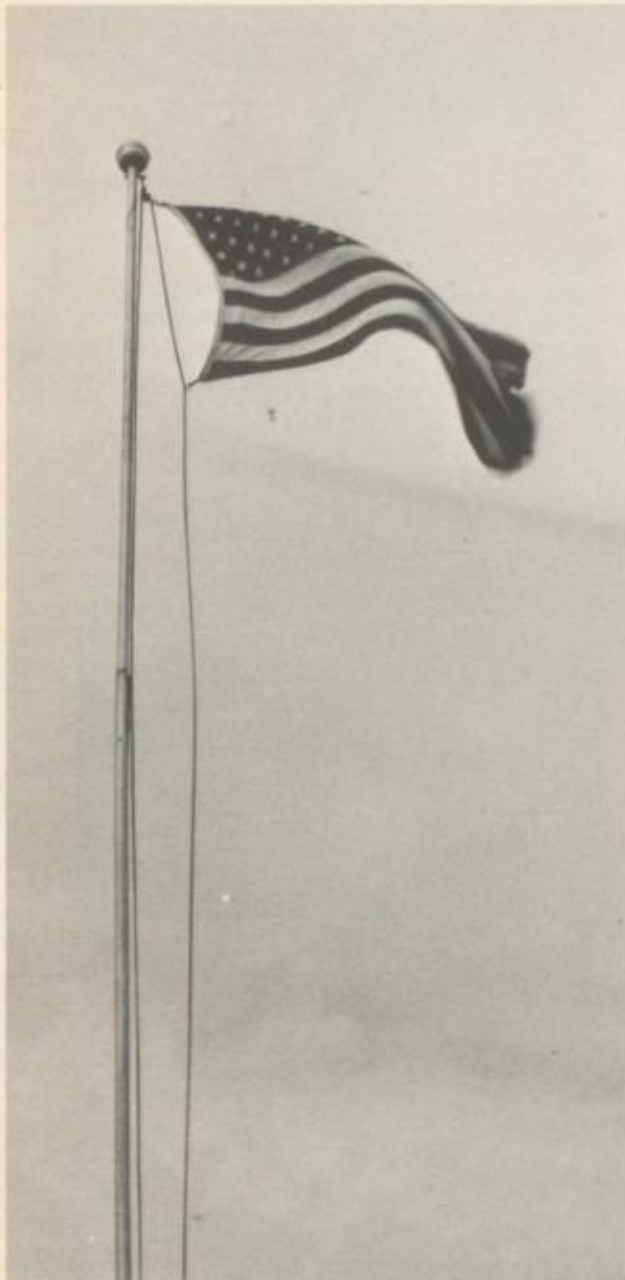

Foreward

Now that our long-awaited hopes of graduation have transformed into reality, we are prepared to go into the world and assume our responsibilities. Whatever our vocation may turn out to be, we will never forget our school years. Foremost of these years is our Senior Year, which we have commemorized in this book.

Indispensable

BARBARA ANN KING

Sometime, when you're feeling important
 Sometime, when your ego's in bloom
 Sometime, when you take it for granted
 You're the best qualified in the room
 Sometime, when you feel that your going
 Would leave an unfillable hole
 Just follow this simple instruction
 And see how it humbles your soul.
 Take a bucket and fill it with water
 Put your hand in it, up to the wrist;
 Pull it out, and the hole that's remaining
 Is a measure of how you'll be missed.
 You may splash all you please when you enter,
 You can stir up the water galore
 But stop, and you'll find in a minute
 That it looks quite the same as before.
 The moral in this quaint example,
 Is do just the best that you can.
 Be proud of yourself, but remember,
 There is no indispensable man.

THE GREATEST CLASS EVER!!!

Oh! Oh!

It's now or never!!

Dedication

The Class of 1966 chooses to dedicate this edition of *The Treasure Chest* to you, Mrs. Baker, for all the many ways in which you have helped to give our school a cheery, pleasant atmosphere. Artistic bulletin boards have often brightened our halls, while beautiful scenery designs at school programs have given them that special added touch. Your work and efforts, combined with those of the students you have guided and taught, have been key factors in the success of many school functions. Your art shows have vividly shown the strong and tactful leadership you have given to many students to help them develop their artistic talents. Your years of teaching have been a joy to all of us and will continue to be so. May the years ahead be even more wonderful and productive for you and your future students.

Working Hard!

MARCHING, CADET, AND CONCERT BANDS

Directed By

William F. Custer

The performance of these bands has added much to our school year. The long-awaited uniforms not only improved their appearance, but gave added appeal to their half-time shows and concerts. Thank you, Mr. Custer, for helping to make them the most outstanding bands that we have had for many years!

School

Life

Another day at school.

I dare ya, John!!

BEING A TEENAGER

A teenager's life is just what it seems,
A world full of hopes and a heart full of dreams.
The corner drugstore where everyone goes,
The little secrets that everyone knows.
It's the silly jokes and your favorite song,
The wonderful feeling that you belong.
It's being in a crowd where no one's a square,
And the fun and enjoyment when everyone's there,
It's having a boyfriend and hoping he'll call;
It's being in a group and having a ball.
It's doing the things you know are wrong,
It's childish crushes that last so-o-o long.
It's having a romance ending in tears,
It's movies, cokes, and basketball cheers.
It's acting silly when no one's around;
It's searching for love that cannot be found.
It's laughing and crying and having fun,
And the prayers we say when the day is done.

SENIOR

All was silent as the band played the fanfare prior to the crowning of the Homecoming Queen for the 1965-66 season.

Then came the long-awaited moment as Miss Cynthia Kozlowski was crowned by last year's queen Miss Kathy Sements.

At the annual Homecoming Dance held on Saturday evening, the traditional kiss was bestowed upon Cindy by Ron Richmond, the student body president.

DEAR PHOEBE

Hans and his American family, Les, Charlie, Mrs. Betty Hull, Kevin, Hans himself, and Mr. Charles Hull.

A. F. S.

This year Hans Villwock has been our Foreign Exchange Student. He has made his home away from home with the Charles Hull family.

Hans has been a very active student. He was in the band, on the track team, and in the Senior Class Play. However, these have just been a few of his activities. We'd also like to commend Hans for being chosen an honorary member of the National Honor Society.

Hans, from Wetter, Germany, has through his pictures and talks brought Germany to America.

We hope he has learned from us as much as we have learned from him.

"When I was a boy of 14 my father was so ignorant I could hardly stand to have the old man around. But, when I got to be twenty-one, I was astonished at how much the old man had learned in seven years."

—Mark Twain

Mark Twain was talking about experience and learning when he made this comment. We all learn by experience, but experience alone is not enough anymore. Today's technical advances and industrial requirements demand more from the individual than ever before, and the person with the college education has a much better chance of getting the truly rewarding jobs in the business world today. Statistics have shown over and over again, that the college graduate earns a great deal more in his lifetime than a person with only a high school diploma. We urge you, as sincerely as we can, to continue your education in whatever field of endeavor you choose.

GOLF

TEAM

Perry has just expanded its sports' curriculum to include golf. Mr. Little has shown his belief that at least some of the Perry Grads and future Grads will succeed in their endeavors by offering to teach various pupils this game, long known as the "rich man's" game. Anyway, we are glad to welcome the team and wish them much success in coming years!

SENIOR HONORS

Only the wise man draws from life, and from every stage of it, its true savor, because only he feels the beauty, the dignity, and the value of life. The flowers of youth may fade, but the summer, the autumn, and even the winter of human existence, have their majestic grandeur, which the wise man recognizes and glorifies. To see all things in God; to make one's own life a journey towards the ideal; to live with gratitude, with devoutness, with gentleness and courage;—this was the splendid aim of Marcus Aurelius. And if you add to it the humility which kneels, and the charity which gives, you have the whole wisdom of the children of God, the immortal joy which is the heritage of the true Christian.

—Amiel

A NIGHT TO REMEMBER

The music fades, the stars grow dim
The night too soon departs
And though it dies, it leaves a mem'ry
Glowing in our hearts.

A glow that is the symbol of
The happy days we've known
Of countless friends and dreams come true
Of four years that have flown.

Of four short years that hurried by
And to them now we cling
As rather wistfully we reach
Our Prom—the final fling.
